Blog: Quilting Gallery

This Ottawa-based blog (<http://www.quiltinggallery.com/>) is all about connecting quilters, showcasing their work and helping them find supplies with a clever quilt-store locator. While listing over 3,800 quilting blogs from 69 countries, the site is also full of resources, hints, exchanges and contests. If you're a quilter or are quilting-curious, this site is worth checking out.
